Her longtime, exceptional service and support for FFA and agricultural education brought recognition from the State FFA in Minnesota to an instructor from the University of Minnesota, Crookston. Assistant Professor Twyla Treanor, who teaches in the Math, Science, and Technology Department, was awarded an Honorary State FFA Degree during a special recognition at the state convention held recently in the U of M's Mariucci Arena.

The 82nd annual convention was held in Minneapolis and brought more than 3,000 high school students to the campus at the end of April. Treanor was nominated for the award by the Region I FFA High School Advisors, and she was a recipient of the Honorary Region 1 FFA Degree in 2010.

Treanor has been involved with regional FFA parliamentary procedure judging for 30 years beginning her involvement with Business Professionals of America (BPA). She has served on the National Board for Business Professionals of America for seven years, and BPA parliamentary procedure teams have won various state and national awards over the years.
